1.2	Office Hour	3
1.3	Reading	3

1 Introduction

This module aims to introduce the basic concepts of Aerospace Engineering.

1.1 Assessment

There are two sets of coursework given out, each worth 12.5%. There is also a final exam in January worth 75%.

1.2 Office Hour

You are able to drop in, you do not need to make an appointment. Office hours are every Tuesday 11-12 in A204 EC.

1.3 Reading

A book that contains much more information than you will need this year, but is still useful, is:

- Introduction to Flight by John D. Anderson Jr.
